

REMARKS

Re-examination and reconsideration of the rejection are hereby requested. Accompanying this Amendment is a Request for Continued Examination.

Claims 1-29 were cancelled earlier. Claim 30 has been cancelled herein. New Claim 31 is being presented. It is submitted that the rejections of Claim 30 are moot in that Claim 30 has been cancelled.

New Claim 31, which examiner Weisberger kindly helped to draft, was discussed during a telephone interview on October 14, 2009. During the interview, the examiner indicated that this claim will likely move prosecution forward. The examiner indicated that there might need to be minor word changes which can be accomplished by an examiner's amendment.

Based on the interview, it is submitted that new Claim 31 is allowable and early favorable action is requested.

Respectfully submitted,

Date: October 20, 2009
